Subject: Need for Original Surety Document, United Stone and Design, United Stone Mine, S0470079, Uintah County, Utah

Dear Mr. Farley:

Thank you for coming to the Division office to sign the reclamation contract for the referenced mine. As stated in our letter to you dated March 7, 2007, the Division needs to receive the original executed reclamation surety bond.

If you or your agent has questions about what is required, please contact Beth Ericksen at 801-538-5318 or by e mail at bethericksen@utah.gov. This should be done immediately.

Enclosed is a modification to the cessation order originally issued June 6, 2006 over nine months ago. **This modification allows until April 2, 2007, for submittal of the original executed surety. Should you fail to submit the required surety document the Division will issue a cessation order for failing to abate the original cessation order. As we have previously indicated to you, this action will carry a fine of \$750.00 per day for each day the violation continues.**

Please contact me at 801-538-5325 or Paul Baker at 801-538-5261 if you have additional questions.

Sincerely,

Daron R. Haddock
Permit Supervisor
